

VBC Mexico News October. 2020

And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work. 2 Cor. 9:8

Dear prayer partner,

Surely God is abounding in love and faithfulness for those who trust in Him. May the Lord bless you and your family with His abundance in all that you do for Him and for others. We witnessed how God blessed us and others in this year's Thanksgiving celebration despite the pandemic situation.

Thanks so much for your prayers; the Lord opened a way for us to bless others of His abundance this Thanksgiving Day. We roasted a turkey and baked an apple pie to share with one family whom we are developing a closer relationship with. During the meal we shared why we celebrate Thanksgiving, as a way to give thanks to God for His provision for the year. We gave a blessing to the family and their new born baby who just turned one month old. Betty has also been helping their older child twice a week teaching basic English and Spanish for the past month. Please keep M and S and their two little children in your prayer. *Pray for opportunity to go deeper in our spiritual conversation about life as we help them cope with the stress of having a newborn baby.*

Praise the Lord that Fang had his contract renewed for another year! He returned to Mexico early October after visiting his family for a short while. Following a self quarantine period, he is now back living in Santa Fe. It was a joy to see him again. He visited us for a meal together and brought a special gift from his homeland. *Please continue to pray for his spiritual growth and his desire to pursue Jesus deeper as he worship with us on Sundays. May God bless his work and life in Mexico.*

We thank the Lord that we were able to re-engage our remaining friends here by hosting an online workshop to help them cope with changes during this pandemic. The response was well received. We hope to offer tangible workshops in the coming months that would fit their needs while living in Mexico. *Please pray for wisdom, insights and good online resources that we could offer to the community here.*

Please remember our teammate Anne in your prayer as she will have more medical test done and have to wait for more medical consultations in Toronto. Pray for our presence in the community here. Also pray for us as we prepare several online missions sharing for supporting churches in November. Once again we give thanks to the Lord for your faithful prayer and support.
