***You will be enriched in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God. 2 Corinthians 9:11***

**Dear prayer partner,**

We always give thanks to the Lord for your generosity in supporting us for the past ten years, without your support we may not be able to fulfill His calling to bring gospel access to this Mandarin professional people group. Wishing you and your family a wonderful Thanksgiving weekend. *Pray with us that we could share this Thanksgiving Day with just few families in our community here.*

September has been a busy month joining various online prayer meetings and preparing videos to share with our supporting churches. We are grateful how God allowed us to be blessings to others despite the present pandemic situation in Mexico. On Sept. 3 Betty received an early morning call from a young mom (who attended our Spanish Class last year) that she needed help at the hospital as she was in labor. Upon arrival she ended up having an emergency C-section due to fetal distress. Initially the baby was not breathing well and we asked people to pray for her baby. Praise the Lord, eventually the baby recovered well. She and her husband were grateful that Betty was there to help and support them. *Please continue to pray for this family and their newborn baby. Pray we could build deeper relationship with them through our support for this family despite restriction of social distancing.*

Jason a young man who has been attending our Saturday English class has relocated to Middle East. For the past six months, Victor had many spiritual conversions with him about life besides helping him to advance his English level. Last week had a farewell lunch with him and prayed for him. *Pray the Holy Spirit would continue working in his heart to know His truth. Pray we could continue to encourage him and have spiritual dialogue that the seed of gospel would flourish in his heart.*

Mid-Autumn festival is a Chinese cultural holiday where families and friends would gather to have meal and eat moon cake. Although this year we cannot have large outreach gathering in the community, but we found a way to share the moon cakes that Betty made with our friends and neighbours. Surely this act of generosity is a great way to share Christ's love as we drop off the gift. *Pray our presence in the community continue to be a beacon of light for those who do not know Christ. Pray for creativity and open door during this challenging time of ministry. Pray for our Sunday online worship, Bible study and prayer time, may those who attend continue to grow in their faith. Also pray for Anne Louie our co-worker who will have a delayed return to Mexico due to medical appointments in Toronto.*

## **Mexico tidbits**

Although we cancelled our Oct. trip to Canada to visit family. Glad we were able to celebrate Betty's mom's 80<sup>th</sup> birthday via video call.

We celebrated a special little girl's 1<sup>st</sup> birthday with her family via video. Betty first held her at the hospital when she was born last September. She also made a special birthday cake for her. Such a blessing!!
