I arrived Mexico City safely. God is gracious. The airline upgraded me to business class without cost. I had more space and quiet environment to rest. I appreciated the help from my teammates, Victor & Betty to do grocery shopping for me, so that I stayed in my place for two weeks in quarantine with food. After completion of the isolation, I went to my favourite restaurant to enjoy my favourite dish, mojarra to celebrate my comeback. Thank you very much for your prayer for my trip & quarantine.

I am grateful I spent time in the park with these two ladies (sister Z & her friend C (L) & their kids. This is my first time to meet C and her son. Her family came to Mexico City on April. They will leave on early January because her husband is relocated to their hometown and her son will go to school. They lived in Europe & Latin America because of her husband's work. She has good impression on Christianity after she met a Christian couple in Eastern Europe. She is impressed by their testimony. She asked why they devoted their life to Christian faith and served her family & others voluntarily.

I am grateful to celebrate Christmas with some IWs' families. I had wonderful time with them although we wore masks and kept proper distance. 2020 is full of challenge but I am thankful I can serve with them in Mexico City together.
