Therefore the Lord himself will give you a sign: The virgin will conceive and give birth to a son, and will call him Immanuel. Isaiah 7:14

Dear prayer partner,

Sending our warmest Christmas greeting and best wishes to you and your family. Immanuel to you all! May you experience a deeper faith and trust in Him during this challenging year. *Pray that we will continue to have the hope and joy in Christ Jesus in the coming year. Pray God will use each one of us to share this miraculous gift of Christ Jesus to those who do not know Him.*

We praise God for your prayer; God indeed opened a new door for us to be part of the mother's group in the park. Few of them are in Betty's online Spanish class for the past months. Betty would chat with the mothers and do crafts with the kids at the park. They even celebrated her birthday at the park in early December, the moms brought homemade snacks and the kids gave her handmade birthday cards. It was such a blessed day. *Pray we could build deeper relationship with these moms and their husbands. Pray for this group to increase as other moms join us at the park. Pray for protection and good weather as we meet. Pray for opportunities for spiritual conversation with these families.*

God is good and faithful in all circumstance. Our Sunday gathering has been online since early this year due to Covid; we saw how the Holy Spirit continues to work in those who attend regularly. They continue to grow in their knowledge and faith in Christ. Pray with us that God would open a door for us to invite more non-believers to join our Sunday gatherings. Do remember those who we have been praying for would come to know Him. Pray for those celebrating the Christmas season will remember the true meaning of Christmas.

We thank God for the opportunity to share at the Raise Hallelujah about how God is at work during Covid. We were greatly encouraged as we listened to sharing of other workers as well. We also did online sharing with our supporting churches and felt blessed to be able to see many of our dear friends. Please pray for God's protection and provision for all Alliance International workers and churches around the world.

We are grateful that our teammate Anne Louie returned to Mexico safely. We give thanks for being able to take a few days retreat in a quiet village. We joined our Mexico City team for a Christmas celebration with precautions having not seen each other in person for over 9 months. What a blessed time together for adults and kids!! Thanks again for your faithful prayer and support this year and may the new year bring you more blessings and more hope for the future.

A birthday celebration with the moms at the park.

Had a blessed time praying with Alliance brothers and sisters in Canada.

We gathered some gently used children items to give away to those who need it in the community.
