

VBC Mexico News January 2021

**May your unfailing love be with us, LORD, even as we put our hope in you.
Psalm 33:22**

Dear prayer partner,

May 2021 be a year of hope and renewal as you put your faith and trust in the Lord! As we reflect on God's faithfulness for the past year, we would like to thank you for your faithful prayer and support for us especially in challenging time. On behalf of C&MA global ministry in Canada we appreciate your support to the Global Advance Fund that supports IWs working tirelessly to advance His kingdom work in different parts of the world despite many restrictions in ministry. *May God's unfailing love, hope and care be upon His servants during the Covid-19 pandemic around the world.*

As we enter the 2021, one of the focuses is to disciple the believers to grow deeper in their faith and knowledge of Christ Jesus. To become a true disciple of Jesus that makes other disciples wherever they go. We and our co-worker Anne Louie will preach and teach each Sunday on lessons about Christian Life over the next six months. This week, we initiated Bible devotion and sharing chat group to encourage them to read and study the book of Luke. *Pray the Holy Spirit would speak in their hearts and transform their lives as they read His word. Pray they would have the diligence to follow the devotional reading to foster good habits in their Christian life.*

A new fishing pond. Despite Covid social restrictions, God opened a door for us to connect with new families at the community park. Betty is part of this new Moms group since November and has developed good relationships with them. We sense this is a good way to help the shut-in moms to have the opportunity to meet other moms in a safe open environment. Pray for these families as they have less fear than before and have more confidence stepping out. The kids enjoy doing the crafts Betty has prepared for them with their moms, and they also enjoy playing with other kids at the park. *Pray for this new opportunity for us to witness Christ's love and care for them.* On Wednesdays Betty and I would do English class for few kids and their moms at our home and have a meal together. *Pray for Zoey, Sylvia, Tina and Josie whom Betty came to know since last October that we would have the opportunity to share God's story with them during these interactions.*

Mr. K whom we have known for the past two years came by two weeks ago to bid farewell before returning to his homeland. His wife already back home last Summer, she attended Victor's English Bible class in the past year and they participated in many outreach activities together. We have become good friends. He would like to keep in touch with us and is thankful for the help we offered him. *Please pray for him that he would come to know Jesus in his homeland. Pray also for those who have heard of the gospel that they would continue to seek Him and grow in their faith in their homeland.* Once again we give thanks to the Lord for your prayer and support.

Kids enjoy making pizza at our home with their mom

Fun time at the park with the kids and moms.

Some Saturday evenings Victor would chat and share with some men over zoom as a way to encourage them in their faith.
