Jacarandas trees are blooming in Mexico City. I am thankful for their bright purple blossoms and warm weather. Mexico City is changed to "orange" level that non-essential economic activities are allowed to work with 30% of the staff for their operation. About 768,000 people (around 0.6% of population) fully vaccinated.

We had gathering with four ladies & their kids in a sunny morning. We had craft time & learned English with kids. I am so thankful for my teammate Betty to prepare a cake to celebrate my birthday with ladies & lovely kids.

National church divides Mexico into several districts. Mexico City belongs to Central district. I am thankful to join monthly district meeting with local Alliance pastors & 3 International Workers virtually. We had devotion, ministry sharing & prayer.

"The 'common' name-the name that appears on our logo-is changing to 'The Alliance Canada'. This shift improves readability in digital contexts and remains consistent with how people commonly refer to the organization. Our official name continues to be The Christian and Missionary Alliance in Canada (C&MA), you will continue to see this name in various places, including official documents."

The National Ministry Centre of the Alliance Canada is moved. The new address is:

***2580 Matheson Blvd. E, Suite 101,
Mississauga, ON, Canada L4W 4J1***
