

VBC Mexico News March 2021

Isaiah 61:11 For as the soil makes the sprout come up and a garden causes seeds to grow, so the Sovereign LORD will make righteousness and praise spring up before all nations.

Dear prayer partner,

May you enjoy the first day of Spring on March 20th. May the Lord renew your spirit and mind as you enjoy His creation in this season. In Mexico City, the sights of beautiful purple Jacaranda blooms can be seen everywhere from March to April. God is the one who makes things sprout up and seeds to grow at the right time; He is the greatest gardener of His kingdom work among the nations. We are merely the sower and the messenger of the Good News. It is the Holy Spirit that causes those who receive His salvation to grow and flourish. *Pray with us for those who accepted Christ as their personal saviour to continue to grow in their pursuit of deeper spiritual life. Pray for new workers to His harvest field.*

Praise the Lord for your prayer! The Tuesday and Wednesday evenings online discipleship and devotional class facilitated by Anne is going well with three people attending regularly. *Pray for Anne as she facilitates the lessons, and pray for the attendees that they would grow deeper in their understanding of Christian life.*

Betty and I continue to disciple XZ on Tuesday mornings and Wednesdays with TY at our home. TY is not a believer but she would sit next to XZ as we discuss the discipleship lessons. This past week we discussed about the Biblical perspective of marriage, TY expressed she likes what the Bible teaches about marriage. I also teach TY to improve her English level. *Please pray for TY that her interest to know what the Bible teach would grow in her heart. Pray for divine opportunities to have a deeper spiritual conversation with her.*

As we anticipate our Home Ministry assignment in mid-July and trying our best to finish well for the next three months in Mexico; God continues to open doors for us to make new connection with new families. Two families joined us for a Saturday outing two weeks ago, but three other families showed up as they were invited by one of the family!! We had a great time chatting with them. *Pray for these new connections that would lead to deeper relationships with them.*

We thank the Lord for requests from four different churches to share at their online prayer meetings or Sunday preaching in March. We always felt encouraged as we share and pray with them. We do look forward to seeing you upon our return to Toronto this year. *Pray for our preparations to transition back to Canada. Pray that there will be direct flights from Mexico to Toronto by June to book our return. Pray especially for our health and protection from Covid-19 while in Mexico.*

In Christ- Victor and Betty

Mexico tidbits

Betty made a banana cake to celebrate Anne's March birthday with the moms and tots at the park. It was fun!!

Last Saturday, We were happy to visit Jonathan and Claudia the Mexican pastoral couple whom we worked with to plant a local church from last term. We gave them Spanish Bibles, books, ministry materials and Betty made some yummy goodies for their kids too. God bless this family.
