In light of the development of combat in the different sectors, you must prepare equipment that will allow you and your family for a long stay in the protected space:

- 3 liters of water per person per day
- Inventory of dry and preserved food
- Battery-operated lighting or flashlight
- Means for receiving alerts and updates - Radio that operates on batteries and portable batteries for mobile phones
- Medications
- First aid kit
- Personal documents, certificates and cash
- Equipment for babies or animals, depending on the needs of the family members
