Hamilton Grace Mandarin Alliance Church (HGMAC) is a Christ-centered, Bible-based church that identifies with the rich spiritual tradition of The Christian and Missionary Alliance in Canada. Located in the culturally diverse city of Hamilton, Ontario, our congregation is primarily Mandarin-speaking, with members coming from various Chinese cultural backgrounds.

We are a growing community united in worship, discipleship, and mission. While our roots are in the Mandarin-speaking community, we are now actively developing and investing in an English-speaking congregation, especially to reach and disciple second-generation believers and seekers.

Our vision is to be a spiritually vibrant, multi-generational, gospel-driven church that proclaims Christ and makes Him known to all people. We are committed to the authority of Scripture and embrace the Statement of Faith and mission of the C&MA Canada.

The English Pastor provides spiritual leadership and pastoral care to the English-speaking congregation. Our English Ministry is currently predominantly composed of second-generation English-speaking youth (typically grades 6-12). Looking ahead, the ministry aims to grow toward serving English-speaking youth, young adults, and families from multicultural backgrounds. The pastor will shepherd the congregation through preaching, teaching, discipleship, and outreach, with a particular emphasis on engaging the youth and fostering effective communication with their parents. The pastor is also responsible for building and equipping a team to serve the English ministry effectively.

Qualification

1. A clear calling to pastoral ministry with a heart for the English-speaking youth
2. Accredited or willing to be accredited with The Alliance Canada
3. Experience in leading Christian ministries (e.g., preaching, discipleship, worship, youth ministry)
4. Agreement with the church's statement of faith and mission
5. Ability to work well in a collaborative pastoral and leadership team
6. Seminary degree from an accredited institution
7. Strong public speaking and interpersonal communication skills
