

## **TO CCACA MAT**

In 2025, Tony and Barbara have involved with CCACA MAT projects in four (4) different ministries. They are:

- 1) Short Term Mission for Campinas Ministry, Brazil.
- 2) Visit Italian Chinese Theological Seminary (意大利华人神学院) in Rome, Italy
- 3) Preaching opportunity through Zoom for Joint Medicine Hat and Lethbridge Chinese Alliance Churches, Alberta.
- 4) Preaching opportunity through Zoom for Montego Bay Chinese Alliance Church, Jamaica.

### **1) Short Term Mission for Campinas Ministry, Brazil**

Pastor Tony and Mrs. Barbara Ng have completed their Campinas (Brazil) STM trip between February 26 and April 4, 2025. This STM trip was spiritually and financially supported by Winnipeg Chinese Alliance Church (WCAC), and many individual brothers and sisters. We would like to give thanks to our Lord, CCACA MAT, WCAC and brothers and sisters who supported our ministry.

Campinas, is located approximately 100 km northwest of Sao Paulo, Brazil, and has over 1 million population including a few thousand Chinese. The Campinas Chinese Church

(CCC) is located in the central areas of Campinas, about an area of 1.5 km square. Within this area, there may be over 60 shops operated by Chinese people, many of them speak in Cantonese, and some Mandarin speaking. These shops include restaurants and bars, general stores, bags and shoes shops, cell phone

accessory and repairs, flower shops, internet shopping agents, hardware store, and others. They open 8 am to 7 pm, Monday to Saturday, restaurants and bars could close later and 7 days a week, which could affect the owners attending the Sunday evening 6 pm services.

During this period, Tony and Barbara served at CCC and our ministries included preaching and teaching, visitations of the congregations and non-believers, providing workshops (回歸時期的先知和歷史書 和 希伯來書中耶穌的神人二性) and training to develop local leaders and brothers and sisters, sharing Gospel to the local unchurch Chinese, and shepherding the needs.

On March 30, 2025 Sunday morning, CCC has a Children Open House program to provide community service for the children from 6 to 12 years old. This included singing children hymns, learning Chinese words, Bible stories, snacks and crafts. During the children's activities, Tony had an opportunity to share Gospel of Jesus Christ with a SOBEM (恩雨之聲) video to the parents who stayed behind during the program. Lots of them are non-believers. A couple of them were moved by the messages. A more detailed report has been submitted to CCACA MAT in July.

**Pray Items for Campinas Chinese Church:**

- Pray for the faithful service of the leaders at Campinas Chinese Church, asking God to grant them unity of heart.
- Pray that the brothers and sisters at Campinas Chinese Church would have willing hearts to follow the Lord and faithfully expand His kingdom.
- Pray for the needs of the pastors at Campinas Chinese Church and for the congregation to love one another.

**2) Visit Italian Chinese Theological Seminary (意大利华人神学院) in Rome, Italy**

After the Campinas STM trip, Tony and Barbara went to Europe for holiday and visited the Italian Chinese Theological Seminary (ICTS) in Rome, Italy for 3 days. We have opportunity to stay and visit the beautiful campus, talked to the students (from China and other European cities), the visiting instructors, the staff, Dean Rev. Dr. Leung Ka-Lun and our good friend Rev. John Kwok. Thank you for the hospitalization provided by ICTS and their staff Miss Rossetti Wu who showed us around to some historical churches and introduced us to the Rome Eastern District Chinese church to worship our Almighty God. It was a wonderful visitation and to learn more about ICTS.

**3 & 4) Preaching opportunities through Zoom for Joint Medicine Hat and Lethbridge Chinese Alliance Churches, the Alberta Ministry, and Montego Bay Chinese Alliance Church, the Jamaica Ministry.**

After the Europe trip, Tony was invited to preach for the Joint Medicine Hat and Lethbridge Chinese Alliance Churches, Alberta, and Montego Bay Chinese Alliance Church, Jamaica through Zoom in July and August 2025.

Through MAT, Tony and Barbara had served the Medicine Hat and Lethbridge Chinese Alliance Churches in between 2021 and 2022 including preaching on Sundays with Zoom and a STM trip in the fall of 2022. After the Alberta, Tony has involved the Jamaica

---

ministry under the direction from Rev. Henry Cheung and CMO Mary since 2023, mainly to preach on Sundays through Zoom.

**Pray Items for Alberta and Jamaica ministries:**

- Pray for the Medicine Hat Chinese Alliance Church of hiring a pastor.

凡仰望耶和華的人，你們都要壯膽，堅固你們的心！(詩三十一 24)

**Be strong, and let your heart take courage, all you who wait for the LORD! (Ps 31:24)**

May our Lord's name be glorified and His Kingdom to expand to the end of the earth.  
Amen.
