

The Christian & Missionary Alliance is a movement to reach the hard and dark (spiritually) places, to go to unreached people groups. But did you know worldwide, countries with the most Christians actually receive the most missionaries? We want to go to places where people have not heard the gospel and do not know of any Christians.

We praise God that the Christian population is growing in Taiwan! When we first went in 2013, it was under 2%, but through your giving and prayer and the work of the Holy Spirit, it is now 3.3% evangelical*. This is

something to celebrate! From this, our hope is that more Taiwanese Christians are reaching others.

In addition to the ministry of church planting in Chiayi county, our work there includes encouraging the local people and Taiwan Alliance Church Union to reach out cross-culturally. Would you pray that more Taiwanese would catch the vision to reach out to their neighbours and to the world?

Would you also consider a year-end gift to our Global Advance Fund? This fund directly supports our living costs.
